

FDA Compliance Declaration

Declaration concerning food contact according to FDA (Food & Drug Administration)

Product: PA 12 natural

We hereby declare that our semi-finished products made of the above product, with regard to their chemical composition and according to the information provided by the raw material manufacturers, comply with the requirements of FDA regulation 21 CFR, Part 177, Section 1500 "Nylon Resins".

Restrictions

Scope: PA 12 natural may be used as a semi-finished product (sheets, round rods) for food contact within the scope of FDA regulation 21 CFR 177.1500.

Other: The finished food-contact article is subject to the extraction restriction under FDA regulation 21 CFR 177.1500 (a)(6) (Nylon Resins).

Compliance with these requirements has not been tested on the semi-finished product, as they generally relate to the finished article. The exact provisions of the above FDA regulation can be found at: <https://www.accessdata.fda.gov/scripts/cdrh/cfdocs/cfcfr/cfrsearch.cfm>

Note: It is the customer's own responsibility to test the suitability of plastic parts manufactured from our products for the intended use in the food industry. This includes in particular:

- testing whether the physical properties of the plastic are suitable for the intended application
- testing whether plastic parts manufactured by the customer meet the prescribed migration or extraction values
- testing for possible effects of the plastic on the composition and/or organoleptic properties of foodstuffs

The quality management system of the raw material manufacturer is certified to DIN EN ISO 9001:2015 and forms an important basis for the consistent composition and quality of PA 12 natural.

All information contained in this document is provided in good faith and is based on sources believed to be reliable at the time of preparation. In the event of changes, for example due to legislation, manufacturing-related changes, or new scientific findings, new declarations will be issued; previous declarations become invalid as a result.

This declaration is valid for 12 months from the print date. It is the sole responsibility of our customers to comply with the laws and regulations required for their intended use. Please request an updated confirmation if needed.

The Food and Drug Administration (FDA) is an agency of the United States Department of Health and Human Services.
